

NAKAMURA, Kazuyuki

Preliminary Amendment filed September 26, 2006
(§371 of International Application PCT/JP2005/006121)

REMARKS

The specification and claims have been amended in order to more particularly point out and distinctly claim the subject matter to which the applicants regard as their invention. Additionally, the above amendment is submitted to place the specification and claims in substantially the same condition as the specification and claims as amended under Article 34 in the international application. A copy of the Article 34 amendment is enclosed.

The above amendments are believed to place the claims in proper condition for examination. Early and favorable action is awaited.
